

with Laura Volpintesta

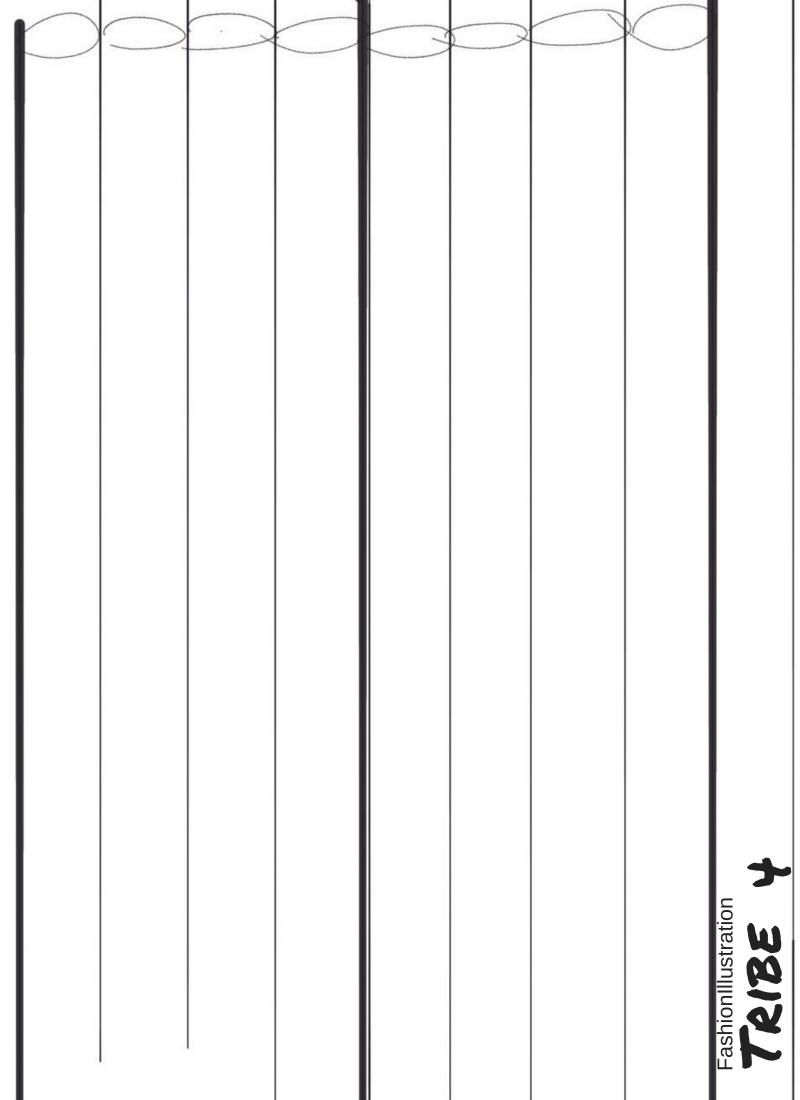

Proportional Grid Tools for Figures

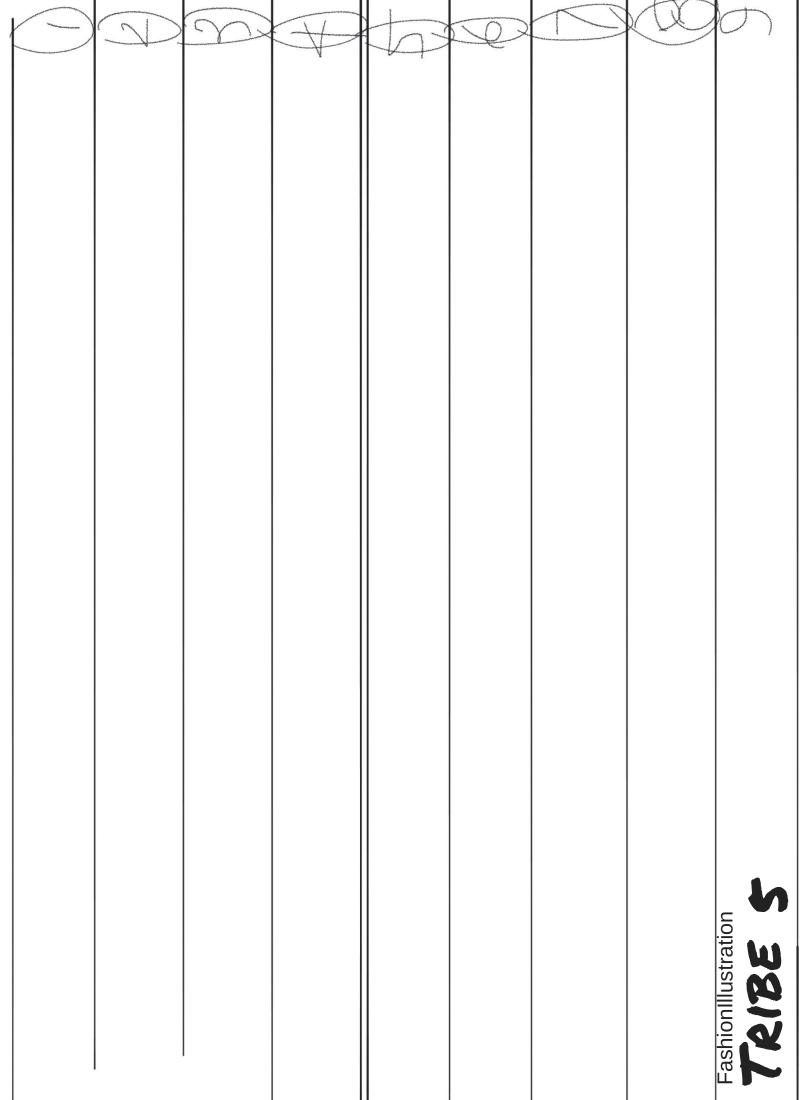

- print only the pages you want
- use the black lined pages as an underlay to your sketch page (-2,4)
- use the LIGHTLY lined pages as printables and sketch right on to them
- (1,6)
- use the horizontal page layout for jmulitple figures (recommended)
- (3,,4,5,6)
- use the portrait/vertical pages for single figure studies
- it's a tool you can use or not, not required
- also works wtih the "build a body" video!
- MODEL DRAWING VIDEO
- Model length proportion sample on last page
